

[Got Web Host Introduces Standard Value Dedicated Servers](#)

Wheatfield, IN. June 9, 2006 –[Got Web Host](#) is proud to announce the addition of **Standard Value Server** hosting packages to their extensive array of [available hosting plans](#). Our [Standard Dedicated Servers](#) begin as low as **\$79 a month**.

Director of Marketing & Support, Tanya Martin, said of the new service, “We are very excited to be able to provide this option. The overwhelming positive response we have received from our SEO clientele was a sure signal that it was time for us to expand our horizons.”

Lloyd Brown, Director of Business Development, stated, “**Got Web Host** has gained a strong reputation of providing the [highest quality service](#) possible. Tanya and I have been customers of several hosting companies over the years and we have seen first hand what poor service can result in. Our goal is to not let any customer find anything lacking in our service level.”

“**24 hour support** is something that our customers worldwide have learned to appreciate. Inevitably, issues will arise, the fact that someone is always there to address their concerns is something that does not go unnoticed,” said Martin.

About Got Web Host:

[Got Web Host](#) has been hosting websites since 2002. As times change, hosting needs change as well, to which we strive to bring the best hosting solutions to meet these changes. Multiple Class C IP's are difficult, if not impossible to find with most hosting companies. Many simply can not provide multiple dedicated IP's. Got Web Host now offers Multiple Class C IP's to their users. Several hosting companies are now attempting to break into this market. **Got Web Host** not only offers the service, but understands why you need it and we bring it to you with many different packages.
